## QUALITY POLICY

**SSB CRYOGENIC EQUIPMENT PTE LTD** aims to be the partner of choice for the sales of cryogenic equipment, bulk liquids and refrigerants, as well as the leading provider of cryogenic services, system integration design and installation of cryogenic storage and vaporization systems for the oil and gas, chemical and marine industries.

We strive to:

- Fulfil customer's requirements with our quality products and services.
- Comply with the requirements of the ISO 29001 and ISO 9001 standards and all relevant regulatory and industrial codes.
- Continually improving our quality management system to optimize our resources and enhance competitiveness in the market.

## QUALITY OBJECTIVES

To meet the quality policy, we shall establish and track pertinent quality objectives at relevant functions and levels for optimizing the use of our resources and ensuring customer requirements/satisfaction are met.

The Quality Policy and Quality Objectives shall be subjected to periodic management reviews to ensure continuing suitability and improvement. They shall be communicated to and understood by all levels in the Company.
